## INVITATION FOR TENDERS JGITZ-ZNZ-JNC001- RENOVATION OF JAMBIANI NATURE CENTER

The Jane Goodall Institute Tanzania (JGITZ) intends to renovate the **Jambiani Nature Center**, located in Jambiani, Zanzibar, and hereby invites sealed tenders from eligible and qualified national contractors registered in Zanzibar for the execution of the works.

The renovation of the existing office building at Jambiani Forest will involve demolition and structural enhancements, including construction of a new roof, installation of doors and windows, plastering and flooring, electrical works, ceiling installation, painting, varnishing and decorative finishes. The scope also includes plumbing and drainage improvements for the toilets, as well as external works to enhance the functionality and durability of the facility.

Additionally, the project will cover the construction of a new toilet block at Jambiani–Zanzibar. The work will include the substructure and superstructure, ground floor walls, columns and staircase, construction of the first slab, first floor walls and columns, second slab and parapet wall. Further works include installation of doors and windows, plastering and flooring, electrical systems, painting and finishing, and plumbing and drainage for toilets. External work will also be carried out to ensure the facility is fully functional and sustainable.

### Tender requirements
